Come with us in spirit and follow along as we travel in Paul's footsteps.
What was it like 2000 years ago to travel the countries mentioned in the Bible? What are they like today? Even if you participate in this “Mystery Tour” after the fact ... you will still be part of the team and have a learning experience.

Earn the points for your team Either the Corinthians or Ephesians.

Answer the pages with question marks (?) for 10 points each
(Write the prayers as though you were going in Linda's place and earn 25 bonus points)

The activities in this packet are the same as those sent to those who will be really making this trip and were written by Mark Moore. The only difference is ... these activities have been formatted to be used by “Mystery Tour” for keeping track of team points earned. Fill them out and e-mail as an attachment to Linda. You will need to use your screen name when sending back to Linda for TEAM points earned.
